

Dehumidifier MRD14

Wood's®

Compact and quiet for laundry and living spaces.

Wood's MRD14 fits almost everywhere thanks to its compact design and low weight. With the practical handle, you can easily move the dehumidifier to where it's most needed at the moment. The MRD14 exhausts dry air on its top that blow-dries the laundry. Its many advantages make the MRD14 ideal for bath rooms and laundry rooms but also for living spaces and boats.

New design

Wood's MRD14

Wood's MRD14 is easy to install and operate, and will quickly lower the ambient humidity and remove mildew and moisture. Wood's MRD14 will run only when needed, and automatically shut off and restart depending on the ambient humidity. Further, the MRD14 will shut off automatically when the temperature drops below +5°C, to prevent icing. When the temperature rises, the dehumidifier restarts automatically. The MRD14 is a good choice for bathrooms, living spaces, laundry, boats, caravans, or similar areas.

Advantages:

- For laundry, bathrooms, living spaces, boats etc.
- Removes excess moist and bad odour
- IP-rated for tough environments
- Hose connection for direct drainage
- Automatic defrost
- Easy to move and install
- Runs only when needed
- Generates more heat than it consumes power
- Energy efficient and quiet
- Up to 3 years warranty * register at warranty-woods.com

Specifications - MRD14

Max. working area	60 m ²
Recommended area	2 - 40 m ²
Airflow	113 m ³ /h
Capacity at 20°C & 70% RF	5,8
Capacity at 30°C & 80% RF	12 litres/day
Power at 20°C & 70% RF	151W
Power at 30°C & 80% RF	180 W
Working interval	+10°C to +35°C
Tank volume	2 litres
Fan speeds	1
Dimensions (mm)	290x240x476
Weight	11,3 kg
Airfilter	Washable
Sound level	≤ 45 dB
Cooling media	R290 (47g)
IP Rating	IPX4
EAN	7332857500970

R290
With new technology and
HFC-free refrigerant R290.

IPX4
