design

Wood's®

Powerful and easy to use for laundry or basements.

Wood's MRD25 is a powerful and compact dehumidifier that fits most environments. The MRD25 exhausts warm, dry air on its top that blow-dries the laundry. With MRD25, you don't have to worry about maintenance or defrosting - merely set desired humidity level and leave the unit to it. This is a smart and powerful dehumidifier, packed with benefits! This is the largest in the MRD series

Wood's MRD25

Wood's MRD25 is easy to install and operate, and will quickly lower the ambient humidity and remove mildew and moisture. Wood's MRD25 will run only when needed, and automatically shut off and restart depending on the ambient humidity. Further, the MRD25 will shut off automatically when the temperature drops below +5°C, to prevent icing. When the temperature rises, the dehumidifier restarts automatically. The MRD25 is a good choice for laundry, living spaces, basements, summer houses, caravans, or similar areas.
