Washable air filter

Article number: WAC9G

Wood's AC Torino G is a compact and convenient air conditioner that quickly and efficiently will lower the temperature in your home or work place, providing a comfortable climate all year around.

The AC Torino G has a digital control panel that makes it very easy to use. It is easy to move to where it is needed at the moment, and with the included window kit you avoid drilling holes in your wall. The hot air is easily exhausted out through the window.
