

# ELFI 300 OFFICE

**Wood's®**

## Wood's ELFI 300 OFFICE

Wood's ELFI 300 office is a compact, effective and incredibly energy saving air purifier. It is suitable for offices living rooms, and other areas up to 60m<sup>2</sup>. The patented Active ION HEPA filter ensures a very high efficiency combined with a very low power consumption, starting at only 10W.

The Wood's ELFI 300 office cleans the air from dust, pollen, bacteria, radon daughters and other harmful particles and provides you with a healthier indoor environment. This unit can also be equipped with a carbon filter to clean the air from unpleasant odour and gases (optional accessory).

99,98%  
cleaning
