Powerful air flow ensures quick and efficient cooling

Digital touch control panel

Robust casters make the AC easy to move

The Wood's Como 12K is a powerful air conditioner with a sleek and elegant form factor. This air conditioner will quickly and efficiently regulate the temperature in your home or work place, providing a comfortable climate all year around.

The Wood's Como 12K features a digital touch control panel as well as a remote control that makes it very easy to use. The sturdy wheels makes the unit very easy to move to where it is most needed at the moment, and with the included window kit you avoid drilling holes in your wall. The hot air is easily exhausted out through the window.
